By Order of His Highness the Maharaja,

Revenue Department.

—:o:—

Report of the Select Committee on the Mysore Town Municipalities Bill, 1951.

(Presented on 24th March 1951.)

We, the Members of the Select Committee to which the Mysore Town Municipalities Bill, 1951, was referred, have considered the several clauses of the Bill in detail and have the honour to submit the following report:

Clause 1.—We recommend that sub-clause (3) may be recast as follows:

"(3) This Section shall come into force at once and the other provisions of this Act shall come into force on such date as the Government may by notification in the *Mysore Gazette* appoint in this behalf."

Clause 3 (1)—As there are no Deputy Amildars at present, we recommend that item (1) of this Clause may be deleted.

Item (3).—We recommend that the definition of "building" may be made more comprehensive and recast as follows:

'"building" shall include a house, out-house, stable, latrine, shed, hut, wall, verandah, fixed platform, plinth, doorstep, staircase and any other such structure, whether of masonry, bricks, wood, mud, metal or any other material whatsoever;'

Item (6).—We recommend that the definition of "dangerous disease" may include in addition to those specified in the definition others which may be notified from time to time, and we accordingly recommend that the following words may be added at the end:

"and any other disease notified by the Government as a dangerous disease;"

Item (14).—We recommend that this definition of "octroi" may be deleted, as terminal taxes come under the Union List of the Constitution.

New definition.—

We think that an Election Commissioner appointed under this Act should be the Sub-Judge having jurisdiction except in special cases. We accordingly recommend that a definition of "Election Commissioner" may be inserted in this Clause as follows :

'"Election Commissioner" shall mean the Subordinate Judge having jurisdiction over the area within which the election has been or should have been held, and includes any other Judge specially appointed in this behalf by the Government ;'

Clause 13.—We are of the opinion that an electoral roll should be in force for a period of four years or for such less period as the Government may direct and we accordingly recommend that for the words "five years" in sub-clause (1), the words "four years" may be substituted.

Clause 14.—Item (iv) of sub-clause (1) (A) (a) provides for the disqualification of a person dismissed from municipal, district board or Government service where such dismissal has been notified as debarring him from re-employment. The majority of us are for removing this distinction between dismissal so notified and mere dismissal from such service. We accordingly recommend that the words "such dismissal having been notified as debarring him from re-employment" occurring in this item may be deleted.

In item (a) of sub-clause (1) (B) of this Clause, a subordinate officer or servant of a municipal council is debarred from being a municipal councillor of a town municipality. We recommend that a similar disqualification should be imposed in respect of district board or panchayet or Government servants. We accordingly recommend that in this item after the words "municipal council" the words "district board, panchayet or Government" may be inserted.

In item (b) of the proviso to sub-clause (1) (B), we recommend that for the words "five years," the words "four years" may be substituted.

Clause 15.—The date from which the resignation should take effect is stated to be from the date of the notice. We recommend that the date may be from the date of the receipt of notice and that for the words "date of the notice" in the two places where they occur in this Clause, the words "date of receipt of the notice" may be substituted.

Clause 17.—As there will be no nominated councillors under this Bill, we recommend that the word "nominated" in this Clause may be omitted.

The term of office of councillors was discussed in detail and excepting Sri K. Puttaswamy, all the other Members of the Select Committee were for retaining the existing provision of four years.

Clause 18.—As the steps to be taken to fill up casual vacancies may take some time, we recommend that a period of two months specified in this Clause may be extended to three months, and we accordingly recommend that for the words "a period of two months" the words "a period of three months" may be substituted.

Original Clause 19.—We recommend that this Clause may be deleted as the same effect would result even without such a provision and the other clauses suitably re-numbered.

Clause 19 (Original Clause 20).—As the Bill provides for appointment of President or Vice-President in certain cases, we recommend that for the words "elected as" the words "elected or appointed as the case may be as" may be substituted.

Clause 20 (6) [Original Clause 21 (6)].—We are of the view that the disqualification for corrupt practice should apply to officers under the Village Panchayets and District Boards and Corporation Acts also. We accordingly recommend that after the words "Mysore City Municipalities Act, 1933" the words "or the City of Bangalore Corporation Act, 1949 or for the office of a member or president or vice-president in a village panchayet or district board constituted under the Village Panchayets and District Boards Act, 1951" may be added.

Clause 26 [Original Clause (27)].—We recommend for the word "deputes" the word "delegates" may be substituted.

Clause 27 (7) [Original Clause 28 (7)].—We recommend that the words "not less than fifteen and not more than" occurring in this item may be deleted.

At the adjourned meeting under this item we consider it sufficient if one-fourth of the whole number of councillors are present and we accordingly recommend that for the words "one-fifth of the whole number of councillors or five councillors, whichever is greater" the words "one-fourth of the whole number of councillors" may be substituted.

Clause 27 (9) [*Original Clause 28 (9)*].—We recommend that the words "as soon as practicable" may be deleted.

Clause 27 (16) [*Original Clause 28 (16)*].—As Government officers will no longer be members of a municipal council, we recommend that the words "if not members of a municipal council within the district" may be deleted.

In the Explanation to this item we recommend that the words "in or for the district" may be deleted and the words "in the taluk or the district" added at the end.

Clause 28 [*Original Clause (29)*].—We recommend that in sub-clause (2) for the words "such regulations as may be framed by the council" the words "such rules as may be made by the Government" may be substituted.

Clause 38 (2) [*Original Clause 39* (2)].—All of us except Sri W. H. Hanumanthappa are of the opinion that a time-limit should be imposed within which the orders of Government should be passed and in the absence of any specific orders refusing sanction, such sanction should be presumed. We accordingly recommend that a proviso be added to this subclause as follows :

> "Provided that such sanction shall be presumed to have been accorded unless it is refused within a period of three months from the date of receipt by the Government of the recommendation of the municipal council."

Clause 44 (1) [*Original Clause 45 (1)*].—In order to disentitle a sweeper or scavenger from one month's notice in case of a discharge for misconduct, we feel that the decision should be by the municipal council and not by any authority subordinate to the municipal council. We accordingly recommend that after the words "he is discharged" the words "by the municipal council" may be inserted.

Clause 45 (*Original Clause 46*).—We recommend that for the words "Every municipal councillor, officer or servant" the words "Every councillor, officer or servant of a municipality" may be substituted.

79

Clause 46 (Original Clause 47).—We recommend that item (*a*) of sub-clause (1) may be recast as follows :—

"(*a*) regulating the conduct of business and the delegation of any of the powers or duties and the appointment and constitution of committees of a municipal council ; ".

We recommend that item (*c*) of the same sub-clause may be recast as follows :—

"(*c*) generally for the guidance of the officers and servants of a municipality in all matters relating to its administration ; "

Clause 48 (Original Clause 49).—In item (*a*) of sub-clause (1) of this Clause, we recommend that for the words " cleanly conduct " the words " clean conduct " may be substituted, and after the words " sale of fruit " the word " flowers " may be added.

In item (*c*) of the same sub-clause, we recommend that after the word " donkeys " the word " pigs " may be added.

In item (*f*) for the words " a census " we recommend that the word " statistics " may be substituted in the two places where the words occur.

We recommend that item (*l*) may be deleted as 'terminal tax' does not fall within the State List.

Clause 55 (Original Clause 56).—We recommend that item (*r*) (providing housing for destitute, orphans and cripples) should not be made an obligatory duty and we accordingly recommend that this item may be taken over to Clause 58.

Clause 56 (Original Clause 57).—We recommend that the words " Subject to such reasonable provision as is mentioned in section 56 " may be deleted.

Clause 58 (Original Clause 59). Item (b) :—We recommend that after the word " dharmasalas " the words " choultries, musafarkhanas " may be added.

Item (g).—We recommend that for the words "a census' the word " statistics " may be substituted.

Item (*o*):—We recommend that the following proviso may be added at the end:—

"Provided that no such previous sanction shall be necessary if such resolution is passed unanimously."

We recommend that an additional item may be added under clause 58 as follows:—

"subject to the provisions of the Mysore Warehouses Act, 1950, constructing, establishing and maintaining warehouses."

Clause 61 (Original Clause 62)—We recommend that item (v) of sub-clause (*b*) and the proviso thereto may be omitted.

We recommend that in item (viii) after the word "latrines" the words "and underground drainage" may be inserted.

We recommend that in item (i) of clause (*a*) of the proviso to item (xiii) the words "or the Government of India" may be deleted and the following words added at the end:

"or any building or part of any building belonging to the Central Government;"

In item (ii) of clause (*a*) of the same proviso, we recommend that the following words may be added at the end:

"or any vehicle, animal or other property belonging to the Central Government;"

Since a levy of terminal tax is rendered impossible in view of the terms of the Constitution, we recommend that a municipal council should be empowered to levy a stand-fee in respect of bus-stands as the municipal council very often undertakes heavy expenditure in this matter. We accordingly recommend that for item (v) of sub-clause (b) which has been recommended to be deleted, the following item may be inserted:

"(v) a stand fee for bus stands established or maintained by a municipal council;"

As the maximum rate of such levy has to be specified, we recommend that Schedule I may be amended by the insertion of a maximum rate of four annas per bus per day.

Clause 105 (Original Clause 106).—Item (b) of sub-clause (3) is to the effect that any area within the regular line of the public street over which permission to construct any building is refused shall vest in the municipal council. Item (c) on the other hand speaks of payment of compensation in respect of such area. We therefore recommended that in item (b) for the words "vested in" the words "acquired by" may be substituted, and for the words "vesting in" occurring in item (c) the words "acquired by" may be substituted.

Clause 112 (Original Clause 113).—Sub-clause (1) requires that a person intending to construct or alter any building must give a notice to the municipal council and should also establish his right and title to the land in question. We are of the view that it should not be necessary for a person to establish title to such land before the municipal council. We accordingly recommend that the words "and also establishing his right and title to the land in question as to the satisfaction of the municipal council, the burden of providing the facts necessary to the establishment of such right and title shall be upon the applicant" occurring at the end of sub-clause (1) may be omitted.

As however the municipal council must have power to refuse permission in cases where the person applying has no right and title whatever to the land, we recommend that an item may be added at the end of sub-clause (2) as follows:

> "or (d) refuse permission to construct, alter, add or reconstruct according to the plan and information furnished in case the municipal council is satisfied that the person so applying has no right to the land in question or has no right to construct, alter, add or reconstruct."

Clause 115 (Original Clause 116).—We think that any order of the President under sub-clause (1) shall be subject to the revisional powers of the municipal council. We accordingly recommend that the following words may be added at the end of sub-clause (1):

> "Any person aggrieved by an order of the President under this sub-section may apply to the municipal council to cancel, amend or revise such order and the municipal council may on such application cancel, amend or otherwise revise the order of the President."

Clause 120 (Original Clause 121).—In sub-clause (1) for the word "Park" we recommend that the word 'land' may be substituted.

Clause 186 (4) (Original Clause 187 (4).—We recommend that the sub-clause may be recast as follows:—

"(4) If the budget as submitted, fails to make adequate provision for the matters specified in sub-section (3), the Government may modify any part of the budget so as to ensure that such provision is made."

We recommend that a new sub-clause may be added as follows:—

"(5) The Government may modify the budget or any part thereof so as to secure compliance with any of the provisions of this Act or of the rules made thereunder."

Clause 197 (Original Clause 198).—We are of the view that the general power of inspection and supervision should be conferred only on the Commissioner and should not be available to the Deputy Commissioner. We accordingly recommend that in sub-clause (1) for the words "The Deputy Commissioner or the Commissioner" the words "The Commissioner" may be substituted, and sub-clause (3 may be deleted.

Clause 218 (Original Clause 219).—We recommend that the words "with the previous approval of the president" may be omitted at the beginning of this Clause.

We recommend that the powers of the Executive Officer should be subject to such control as may be laid down by the Commissioner, and also should be subject to revision by him. We accordingly recommend that a new sub-clause may be added to this Clause as follows:—

"(2) The exercise or discharge by the executive officer of any powers, duties or functions delegated to him under sub-section (1) shall be subject to such restrictions, limitations and conditions, if any, as may be laid down by the Commissioner and shall be subject to his control and revision."

Clause 219 (Original Clause 220).—We are of the opinion that an appeal from the orders of the Executive Officer under Clause 220 should lie to the municipal council and we accordingly recommend that in the proviso to this Clause for the word 'President' the words 'municipal council' may be substituted.

Schedule I.—We consider it necessary to specify in this Schedule the maximum rates under items D. E. and F. and we accordingly recommend that in the second column of this Schedule against items D. E. and F. the following may be substituted:—

D.	Special Sanitary Cess	...	Three percentum of the rental value.
E.	General Sanitary Cess	...	Four percentum of the rental value.
F.	Water rate or water rates	...	Six and one quarter percentum of the rental value.

As recommended under clause 62, a new item has to be added to this Schedule, namely, 'stand fee for buses' and we accordingly recommend that a new item may be added as follows and the other items may be suitably re-numbered.

"B. Stand fee for bus stands established or maintained by a municipal council. Four annas per bus per day."

We recommend that in the heading to Schedules I and II, the words "terminal tax" and 'and Terminal Tax' may be omitted.

The Bill was published in the *Mysore Gazette* Extraordinary dated the 16th January 1951. In our opinion, the Bill has not been so altered as to require republication.

Minute of Dissent.

We have a constitution which is based on equality, liberty, fraternity and justice. It is a rare privilege that every citizen irrespective of caste, colour, creed and sex enjoy the same bundle of rights and duties. In such a state as this, the legislature should act with abundant caution, especially when they deal with the liberties of the citizens of the State.

The Select Committee constituted to examine the draft bill, has approved the sub-clause 2 of Section 45 of the Mysore Town Municipalities Bill, 1951. It runs thus: "Should any sweeper or scavenger employed by the Municipal Council in the absence of a written contract authorising him so to do, and without reasonable cause, resign his employment or absent himself from his duties without giving one month's notice to the Municipal Council, or neglect or refuse to perform his duties or any of them, he shall be liable, on conviction to a fine not exceeding fifty rupees or to imprisonment of either description which may extend to two months."

This provision will not only undermine the fundamental principles of human dignity and prestige, but also is illegal inasmuch as it forces a person to do a particular thing much against his will. I feel that it is my duty to submit this note of dissent.

Several points are raised in supporting this provision as being essential service as it concerns with the health of the town and if the scavengers or sweepers strike work, the citizens will experience great inconvenience and so on. I do not see any force in these points. The duty of keeping the towns and cities clean and to avoid inconvenience rests equally upon the shoulders of the citizens. We are moving towards self-governing institutions, with more decentralised powers exalting the individual as the ultimate end of the activities of the Government. Man is the roof and crown of things. His dignities and sacredness cannot be bartered away for a mere convenience of another person. Who knows, the time may come when the scavengers or sweepers may not exist as a class of workers and each will have to clean his latrine and sweep his house and a portion in front of his house. It is inhuman to bind them to a penal clause, on failure to do a certain thing.

Moreover, it is purely a personal contract. Municipal Council as a legal person stands on the same ground as the other person who enters into a contract. If there should be a stipulation of a penal clause, it should bind either party. But here it is not. Viewing this subject from any aspect, it is immoral, illegal and unconstitutional.

Therefore, I am strongly of opinion that the sub-clause 2 of Section 45 of the Mysore Town Municipalities Bill, 1951, should be totally deleted, and, if necessary, the rules and regulations laid down in the Mysore Service Regulations may be applied to the scavengers and sweepers.

(*b*) The consideration expressed in a document is generally taken to be its value for determining the registration fee. Where no consideration is expressed, the value of the property dealt with as shown in the document is taken.

(*c*) The provisions of sections 5, 6, 20, 21, 23 and 25, of the Mysore Stamp Regulation and of the Indian Stamp Act, respectively, are applied *mutatis mutandis* to calculations of value for the purpose of determining the registration fee.

(*d*) In the case of leases the value is taken—

(1) at the total rent for the whole term when the lease is for periods not exceeding one year ;

(2) at the average annual rent when the lease is for periods exceeding one year ;

(3) at one-fifth of the whole amount of rents payable for the first fifty years when the lease is perpetual.

In all cases where a fine or premium is paid or is made payable or money is advanced, that amount is also added to the value. When a lessee undertakes to pay assessment quit-rent, etc., in addition to the rent, the said payment also is added to the rental value. If the rent is payable in kind and its money value is not specified in the lease, its value is taken to be the highest amount which the stamp borne by the document shall suffice to cover ; but if the lease bears no stamp or is exempt from stamp duty, the money value of the produce is calculated at the current market rates.

Where in agricultural leases for one year or less the rent is not fixed either in kind or in cash and the lease deed is unstamped, its value for purposes of registration is taken to be five times the assessment on the land the rent of which is secured by the instrument, when the survey assessment is specified in the lease.

(*e*) In the case of deeds of partition, the value of the separated share or shares on which the stamp duty is payable is taken as the value or consideration.

(*f*) When the value of the document is not specified :

In the case of all other documents in which neither the consideration for the transaction nor the value of the property affected is expressed, or in which it is only partially expressed the

value shall be the maximum amount which the stamp borne by the document is sufficient to cover, if the document is one which is liable to stamp duty at *ad valorem* rates. If the value cannot be determined from the stamp, as for instance when the deed is not liable to stamp duty, or is liable to duty at a fixed amount irrespective of the value of the transaction, or when the transaction is not susceptible of money valuation, the fee leviable shall be Rs. 6-12-0 provided that in cases where value of only a portion of the property or consideration is given and that value exceeds Rs. 1,500 the fee shall be levied on the value so expressed.

Note.—In the case of documents evidencing petty transactions incapable of valuation the Inspector-General of Registration may, if he considers that the levy of a fee of Rs. 6-12-0 would be productive of hardship, authorise Registering Officers to levy a lower fee, which however shall not be less than four annas and six pies.
